WORKSHOP ON MAINSTREAMING

"Mainstreaming for the Hearing Impaired -- the Delaware Approach" is the topic of a workshop to be held at the Margaret S. Sterck School for the Hearing Impaired on April 25 and 26, 1975.

Among the topics to be discussed are:

- *mainstreaming deaf preschoolers with hearing preschoolers
- *use of interpreter-tutors in the regular class
- *mainstreaming of entire class of deaf children into regular class
- *mainstreaming entire classes of

hearing children into classes for the deaf

- * orientation for teachers and students in regular classes.

A \$10 registration fee is due by April 11. All inquiries should be made to the Sterck School for the Deaf in Newark, Delaware.

FRIENDS OF THE EARTH

The Student Union is sponsoring an Ecology Week from April 6-12, to promote within the campus community an increased awareness of the environmental problems facing our society. All are welcome to participate in the week's activities.
